

BRECHFA RALLY 2023

CLARKSON STEEL

FINAL INSTRUCTIONS

DDBC would like to thank everyone that has entered this year and we hope we can count on your support for years to come.

Signing on

If you are intending to arrive on Friday 17th March, you can sign on from **19:00** hrs at the start area (**SA39 9ED**) where camping & shower will be available, alternatively you may sign on Saturday 18th from **08:00** hrs – **09:30** hrs

Rally Plates

These will be supplied for you upon completion of signing on. These must be on your bike before machine examination.

Helmets

All helmets must display the ACU Gold or Silver stamp and correctly fitted, these must be presented for checking. Any plastic camera mounts must be removed.

Cameras are only permitted if they are attached to the machine. No body or helmet mounted cameras are permitted.

The use of "Tear Off" lenses on goggles is prohibited. The use of "Roll Off" goggle systems where the transparent plastic film is retained within the device and not discarded is allowed.

Tyres

Tyres must be road legal FIM. No MX tyres.

Refuelling

All riders must have an extinguisher and Environmental Mats **must be used** for refuelling at all times. You will also need to ensure that you have enough petrol to cover at least 40 miles (approximate lap length).

Refuelling will be in a designated area next to start area.

Start Times

Saturday first bike away at **10:00 hrs**. Sunday first bike away **09:00 hrs**.

Time Schedule

You will be supplied with a timecard and will be expected to **STRICTLY** keep to your allocated time schedule throughout the event. Event Officials will be on hand to offer advice on timecard filling.

There will be one time checks per lap which will be located at the start. All riders will be given approx. 120 minutes to complete a lap. (Exact times will be given at signing on. There is no penalty for being up to 30 minutes late at any time check. However, arrive any later than 30 minutes at the time check and you will be classified as retired.

All graded riders from **1-7** will complete **3 laps** of the course on Saturday and riders graded from **8-10** will complete **2 laps** on Saturday. (Subject to weather and conditions)

On the Sunday, all graded riders from **1-7** will complete **2 laps** of the course and graded riders from **8-10** will complete **1 laps** of the course. (Subject to weather and conditions)

IMPORTANT: *The tests on the first lap on Saturday for all grades **will not be timed** as you will get a sighting lap. On Sunday, all tests including the first lap will be timed, unless otherwise notified.*

Route

Main route will be marked with **ORANGE** arrows.

Blue Tape/Sensitive Areas marked QUIET/SLOW

These are to be ridden at **WALKING SPEED ONLY**, any infringement will carry the penalty of disqualification.

Rider's briefing

Will take place at **09.30 hrs** prompt on Saturday at the start line, **all riders must attend.**

Parking

There will be ample parking room around the **START AREA**. Please take care as you travel along the access road to the start area and take note of the advice given by parking officials. Parking is also a **Blue Tape** area and riders must observe the **Walking Speed Rule!**

Considerate Riding

There are riders of all abilities taking part in this event. Please ride carefully and respect areas marked **SLOW/QUIET** and give slower or inexperienced riders room and guidance whenever possible. We want to encourage riders to return and enjoy our sport.

Start

The start is at Bryn Llewelyn, Llanllwni Carmarthen, [SA39 9ED \(Grid Ref: SN514366\)](#) and will be arrowed off the A485 between Carmarthen and Llanybydder at Llanllwni.

INFORMATION: *SATNAV's can send you to a Green Lane, so we suggest you get to Llanllwni and follow the arrows.*

Catering

There will be catering available at the start area. There will also be a BBQ lit on Saturday night that will allow riders to cook their own meat, burgers etc.

Security

The security of your bike and equipment remains your responsibility throughout the duration of the event. DDBC and the landowner will not be held responsible for any loss or theft that occurs before, during and after the event.

Illegal Riding

It is a condition for our club's continued use of the Brechfa Forest that riders enter the forest complex to take part in **organised events only**. Illegal riding will result in the breakdown of our relationship with NRW and the loss of the Brechfa Rally/Enduro from the annual fixture calendar. The Rally will stay if you stay out!

We look forward to seeing you and hope you have a great weekend of riding with DDBC.

WARNING – MOTORSPORT IS DANGEROUS
